- You have an obligation to continue paying any applicable remaining equipment charges from previous contracts, or any applicable non-return or damage fees associated with equipment leased from us. These will be charged as a one-off amount, or be charged to your monthly account (as applicable) until the charges are paid in full.
- If you've elected to upgrade to a new device under your plan, and the current device has not been returned or is not returned in good working order, you will be charged additional fees (which could include remaining device charges) and the amount will depend on your plan.

Optus Account Holder Acknowledgement and Declaration

We collect personal information in forms like these and also during our on-going relationship with you. We use it to supply products, give you the best possible service and for the other purposes described in our privacy policy. Without it, we may not be able to supply products or provide the level of service you expect. And as explained in our privacy policy, we share personal information within the Optus Group and with a number of other service providers and partners for these purposes; some of whom may be overseas. Their locations are listed in our privacy policy. If you'd like more info about our privacy practices, how to access or correct our records, or make a complaint, ask us for a copy of our privacy policy now, or check it out at www.optus.com.au/privacy.

Optus Mobile Pty Ltd, Optus Internet Pty Ltd, Optus ADSL Pty Ltd and/or Optus Satellite Pty Ltd, depending on the service you've selected, supplies these services and any equipment to you on the terms of Optus' standard form of agreement (including applicable service description,

Optus Account Holder Acknowledgement and Declaration

pricing plan and appendices). The full terms of Optus' standard form of agreement are available at www.optus.com.au/standardagreements. Please refer to the applicable Service Description in the Standard Form of Agreement for details of which company is supplying your service or each of your services.

\$60 Plan – 24-month Contract

Plan ID: 604205, 604218, 604244, 10588701

Information about the Service

Description of the Service

This bundle is for Fixed Telephone and Broadband services and may be supplied using Optus Cable, **nbn**™ or Optus Direct Service (LAD/ADSL 2+) networks.

This bundle includes the following monthly benefits:

- A home phone line
- Unlimited broadband data allowance

Optus \$60 Plan availability

From 16/12/19, this plan is available only to existing customers who have been invited by Optus to migrate their existing Fixed Broadband service to **nbn**™.

Optus Phone and Broadband services are not available in all areas or to all premises. The broadband service offered will be determined by what is available at your location.

Optus Phone and Broadband services are only available at premises which can be physically connected to the Optus Network (or, in the case of Optus **nbn**™, where connection will be possible within three months based on rollout information provided by the **nbn**™ which is subject to change).

There may be technical or commercial reasons that affect our ability to connect a service at your address. Until Optus successfully installs your service we cannot guarantee that the service can be installed at your address. To check your serviceability and find out what kind of Optus Broadband is available at your address visit optus.com.au/serviceabilitycheck

For account numbers beginning with 1, 2, 5, 7, 8 or 9 you must maintain both your Phone and Broadband services with Optus and pre select Optus as both your local and long distance carrier. If you cancel or port a service away, remaining services will become ineligible for this plan and we will move them to the

closest alternative of our in-market stand-alone plans (which may be more expensive).

For account numbers beginning with 62 if you cancel or port a service away, any remaining services in the bundled plan will automatically be cancelled.

Minimum term

New and existing customers can only get this plan on a 24-month contract. The minimum total cost is **\$1,440**. If you change plans to a lower value plan before the end of your contract term, an Early Recontract Fee of **\$80** applies and you will start a new contract term.

Equipment needs

You need a compatible telephone handset and broadband modem to use this service. The modem must be an Optus approved device. If you are a new Optus Broadband customer we will provide you with a WiFi modem at no additional cost.

Please let us know if you use equipment such as disability or medical services or a back-to-base alarm. Some equipment may require an alternative service or additional equipment. We will tell you if we are not able to support the equipment.

System requirements

To use the Optus Broadband service you need to ensure your computer is compatible. Please see optus.com.au/systemcompatible

Optus Fair Go Policy

The Fair Go Policy ensures that all our customers can access our services, and do not use our services in a manner that we consider 'unreasonable' or 'unacceptable', including, but not limited to 'non-ordinary' or 'commercial purpose use' of this plan. The policy also sets out your responsibilities when you

Installation

Optus reserves the right to charge for non-standard installations. You must obtain permission from the owner of the property, if that's not you, to have Optus Broadband installed, and have someone over 18 years of age in attendance at the appointment. Cable and Optus Direct customers may require a technician to install the service and **nbn™** customers may need two technicians (one Optus, one **nbn™**) to install the service. For **nbn™** services, If you're in a new development and not already connected to the **nbn™**, **nbn™** Co may charge **\$300** to connect your premises to the **nbn™**. If applicable, we will bill that charge to you.

Information about pricing

Plan fees

Minimum term	Monthly access fee	Start-up fee	Early recontract fee	Transferring an existing number	Connecting a new number
24-month Contract	\$60	\$0 Additional fees may apply for a first time nbn™ connection to dwellings in new developments, for additional lines or for non-standard installations.	\$80	Included	Included

Minimum monthly charge

\$60 per month when you pay by direct debit.

nbn™ speed

For customers connecting to this plan on the **nbn™** the default speed included is Speed Pack 3. Speed Pack 4 is available for **\$35** per month. More information about Optus' **nbn™** speeds is available at optus.com.au/shop/broadband/home-broadband/nbn-speed-packs

Cancellation fees

The maximum cancellation fee for this bundle is **\$500** (\$200 for the phone service and \$300 for the Broadband service). When you recontract, the maximum cancellation fee for this bundle is **\$100**. Cancellation fees decrease during your contract period.

Mobile calls

A standard national call to any Australian mobile for 2 minutes including flagfall would cost **\$1.08**.

Plan changes

You can change your plan during your contract term to a plan of equal or higher value. If you change to a plan of lower value an Early Recontract Fee of **\$80** applies and new 24-month contract will start. Contact Customer Service if you would like further information.

Non-direct debit fee

A **\$2.20** fee will be charged each month if you choose not to pay your bill by direct debit. To set-up direct debit go to optus.com.au/myaccount

Exception: For payments made by credit, debit, charge or prepaid cards, the non-direct debit fee will not apply.

Paper invoice fee

A **\$2.20** paper invoice fee will be charged each month if you choose to receive a paper bill. For online billing or to request an email bill go to optus.com.au/myaccount

Payment processing fee

If you pay by BPay savings or direct debit from a bank account or credit card, there are no processing fees. A processing fee applies to non-direct debit payments made by credit or charge card and/or if you pay at Australia Post. For details go to optus.com.au/payments

By accepting the benefits of this bundled offer, the connection date for your phone that you agree to will likely be longer than the maximum time frame in the Customer Service Guarantee (CSG). Apart from this, any other rights you have under the CSG still apply. For more information, see optus.com.au/yourCSG

If you are an Optus **nbn™** customer (excluding FTTC) that has received delivery of your Optus self-installation kit and you do not self-install your Optus equipment within five working days of your Optus **nbn™** connection date, we will automatically activate your connection and begin billing you. If you are transferring existing services to Optus **nbn™**, this may result in the disconnection of those services. If you require assistance to connect, contact us at yesopt.us/chat2us

Special Promotions and Value Added services

You may be eligible for additional discounts if you have additional Optus services. This summary doesn't include any of the discounts, special promotions or other value added services (bolt-ons) available with this plan that you may select.

Other information

Changing the access method

We may change the access method for your service for the remainder of your minimum term and move you to:

- A new plan that is reasonably comparable with your current plan; or
- An alternative plan, but only if we take reasonable steps to address any detrimental impact that the change may have on you that is not minor.

If we change your access method, you must provide all reasonable assistance to enable the change to be implemented, including access to your premises and equipment. Unless otherwise agreed with you, we will not charge you for installing or equipment we supply to you to use with the changed access method. Alternatively, we may ask you to change your access method during your minimum term even if the change may have a detrimental impact on you that is more than minor. If you refuse our request, we may cancel the service by giving you at least 90 days' notice. If the service is cancelled, you will be liable for charges incurred up to cancellation including any balance for devices purchased on Pay Over Time (POT), but you will not be liable for any cancellation fee or other outstanding equipment charges.

We will contact you to discuss the details of any changes we plan to make to your access method prior to making the change.

Customer Service

You can call **133 937** for assistance on your account balance, usage status, payment details and other information at any time. For other assistance and account information, see optus.com.au/customerhelp

Tracking your spend

You may be able to track your phone unbilled usage by visiting optus.com.au/myaccount. If you are unable to do this you can contact our Customer Service team for information on your usage status.

Customer complaints

You can contact our complaint resolution area by calling us on **133 937**. We encourage you to contact us first so that we can try to resolve your complaint straight away. If you're not happy with the outcome, you may also contact the Telecommunications Industry Ombudsman on **1800 062 058**.

Priority Assistance

We do not offer Priority Assistance. Telstra is a provider who does. Check optus.com.au/shop/broadband/home-broadband/plans for the latest plan and pricing info.
